CORONA VIRUS SAFETY PROCEDURES

WHAT TO EXPECT

If you have any additional questions, please don't hesitate to call us as 918-728-3144

The health and wellbeing of our clients, patients and staff are a top priority at Spay Oklahoma. That is why we are now offering "Hands-Free" Drop Off to our clients during this difficult time.

Here are a few things to expect at your pet's drop off and pick up.

DROP OFF: Dogs can arrive 8-9 a.m. Cats can arrive 9-11 a.m.

Please park and bring your pet to the door for curbside delivery and to sign necessary paperwork for your appointment. Please wear a mask and follow social distancing while waiting.

Personal items including collar, leash, etc. will stay in your possession and not brought into the clinic.

Contain your cat in a safe carrier, that will be returned. Please wear a face mask or face covering and follow social distancing.

PICK UP: You will receive a call or text message when your pet is ready for pick up the same day.

From the parking lot, text 918-716-6070 including your name, pet's name and vehicle color/make/model. A Spay OK team member will bring your pet to the vehicle.

If you have not heard from us by 4 p.m., please arrive for your pet at 5 p.m.
